# Last week → today

| Last week's questions | Current status |
|---|---|
| Can we force leadership without knowing the group key K? | Ongoing |
| Crawl a live swarm every d seconds and record who has advertised. | No live averaging swarm found. Need a known group key to crawl. |
| Measure lookup time and the shortest advertised deadline. | Local tests using RIPE Atlas ping RTTs: Sweden, US, Brazil, India, Australia. |
